COMPASSPOINT  
BIBLE CHURCH

February 21, 2006

Over the past years we have had Trevor at Compass Point many times. He is one of the favourites of our congregation. We have invited him to take part in our worship services, do a special concert with "5<sup>th</sup> String BLVD." and an outdoor community event. Trevor has been gifted of God to reach the hearts of young and old alike and is well appreciated by both our contemporary and traditional congregations.

As a musician, Trevor is highly creative with an artistic flair. As a person, his humble spirit and desire to serve the Lord are traits which endear him to his audiences.

I recommend Trevor Dick to you without reservation.
