Church on the Rock

Where Innovation, Excellence and Passion Intersect
www.churchontherock.ca

To All,

Church on the Rock has a youth service that reaches hundreds of area wide teens and college students. Trevor Dick has been coming to our services and sharing his gift for the last five years. He is the highlight of our year. We love his passion and excellence which works well with this generation. Trevor is flexible enough to play with our worship band and adds so much to our worship. He is sensitive and not overbearing as an artist, yet he is very, very good. He always blows our kids away, and they leave wanting more. I would highly recommend Trevor to any next generation venue.

In His Joy,

Dave Overholt
